

# PONG WIFFY

By Kaye Umansky

Pong Wiffy is a good book because it is fine for 7 years and upwards. Pong Wiffy is a lazy character who gets Hugo her pet hamster to do every thing for her. One day she gets Hugo to go to the sweet shop and to get her some sweets but on his way something happens to him. I wonder what ...?

Then Pong Wiffy becomes very ill and needs attention but Hugo has taken the day off to watch a rock contest so who is she going to call for help?
