

Book review

The mean dream wonder machine

In this book there is a family that has a washing machine that is always breaking down. The family's last name is Penn and the mum has 3 children and no husband as he ran away with a different girl.

The main characters are : Patrick, Hannah, Laura, Professor Scriffle and mum.

My favourite part was when they go to Professor Scriffle's summer collage but get into a lot of trouble playing with a brand new inventory. Will they work together or get thrown out for good? Find out in the MEAN DREAM WONDER MACHINE

My marks out of 10 are 10 as it gets you really involved in the book.

I would recommend this book to readers who love to have their heads in books.
