

# THE KICK OFF

By Dan Freedman.

The story is about a boy that likes to play football, and he has lots of friends that he likes to play with. His father walked out of his life when he was a little boy. And now he has gone to a new school but a boy keeps on bullying him.

The main characters in this book are Jaime, Jack, Mum, Ollie and Mike.

What I enjoyed most about the story is when Jamie gets a book on lots of "drills" to do to make him a lot better at football. And then he gets to train with the first eleven boys.

I would mark this book 9/10 because it is so fun to read and is really enjoyable.

After you have read this book you will want to play football yourself!
