

Chinese New Year Celebrations - Feb 2011

Here's Class 1 ready for a busy day celebrating Chinese New Year. The day started with Class 1 taking part in assembly in front of the whole school. Great performances!

Then there was time to show off the costumes to the other classes. Miss Pledger's class enjoys their visit!

It has been a tradition for some years now that Class 1 joins with Playgroup to have a Chinese meal together prepared by Playgroup leaders. Eating is always a popular activity in Class 1!

Eating noodles can require lots of concentration.

Yet more eating, and then they can enjoy playing with their Chinese art work.
