

# Class 1 Wedding - June 2011

Well wishers line the route as the father of the bride prepares to take the bride to the church on time

Wedding photographer takes stock of the situation as the bridal vehicle rushes past. The bridesmaids and page gather to support the bride on her big day.

The service begins .....

..... and the vicar leads the service.

Members of the congregation take part, applauding the happy couple.

The rings are exchanged .....

..... And then admired.

Signing the register is a serious business.

Prayers for the couple are read out .....

..... And handbells play a happy tune, ably led by their conductor

Mr Archer is given permission to throw the confetti over the happy couple ....

..... and then it's time for the bridegroom to show off his driving skills.

A drive round the Atrium gives our official photographer the chance to take some pictures. It requires some skill organising the group photos.

The wedding party tours the school - this is Class 4 .....

..... And Class 3 congratulate the couple.

The Reception: Everyone raises their glasses to toast the bride .....

..... Then time to tuck in .

The speech making .....

A final tussle with veil and tiara .....

..... And finally time to admire the wonderful cake.

Well done to everyone for taking part and a big thank you to Mrs Downes for organising it.

A fun and memorable way to learn about weddings.
