

Class 4 Assembly - March 2011

Class 4 Assembly focussed, primarily, on literacy work the students had done throughout the term, but not before the musicians among them were able to demonstrate their developing skills at piano, flute and guitar. Then there were the poets - Kit Wright, author of the poem 'The Magic Box', provided inspiration for a great variety of 'Magic Boxes'. You can read some of the poems on the Class 4 page. These were read out during assembly along with passages from The Hobbit (Gandalf arrived in person to take part). This all tied up with the Spring term's theme, 'Fantasy', that has given everyone the opportunity to develop their creative side. (They've also written their own fantasy story some of which have wonderful illustrations).

Here's Gandalf supervising proceedings. Then it was on to describing, and showing photos, of their 'Dr Who Experience' in London.

Assembly finished with a reminder of Lent and that Easter is fast approaching.

After assembly the PTA had a book sale and coffee morning. Thank you to all who supported the event.
