

Summary of Business and Enterprise Project 2010

The project this year was 'more intense' as we started in May and had less than two months to complete the project. Unfortunately, we ran out of time to complete the e-book - this could be continued at a later date with the present Year 5. Due to having half the class completing B&E last year many of the activities were missing and these will be included in next year's project.

I have enjoyed the project and believe we have a great end product, (the Monty and Cleo book) which has been well received by the school.

Here are some comments from the students:

'I enjoyed when Linton came to Burrough Green as the egg exercise was really fun.' Saffron

'I enjoyed illustrating the book in B&E the most. I really want to do a B&E product again. My favourite part was seeing the book once it was made. I got a background on the second page plus two cats!' Zoë N

'In Business and Enterprise we made a book. I think we did well considering how much time we had. I enjoyed the visit to Cambridge University Press. Overall it was a fun experience.' Thomas

'I enjoyed the part of B&E when Gillian the illustrator came in and we got to draw cats and mice.' Oliver L

'I have really enjoyed doing the project. I mostly liked the end product. I would like to do it again.' Lewis

'B&E was fun, the fundraising was even better.' Toby

'I didn't really enjoy it because it was rushed and it was different from last year.' Ollie

'I enjoyed the trip to Linton to make the Lego car. I also liked it when the illustrator came in and drew the pictures.' Levi

'I enjoyed it when we got to do the drawings and paintings. I liked it when we got to see the author and illustrator and when we went to Cambridge University Press.' Sarah

'I really enjoyed doing the Business and Enterprise project. My favourite part was when Gillian came in. I really like doing the Business and Enterprise project as a lesson.' Amy

'I enjoyed drawing and writing things to go into the book. I also liked the illustrator coming in and showing us things. I would enjoy Business and Enterprise again.' Hannah

'In Business and Enterprise my favourite bit was the design part of it. Painting the background and animals was my favourite. I would love to do Business and Enterprise again.' Jenna
