

French Day 11th July 2007

Each Tuesday Madame Kelly comes to teach each class French but on Tuesday, 11th July 2007 the school day was given over to 'all things French'! Here's a taste of some of the activities that took place.

Year 6 put their new found cycling skills to the test with a mini 'tour de France'. Charles was the overall winner!

Then there was the game of boules ...

... followed by lots of croissants!

Time for a Geography lesson ...

... and an attempt to create a model of the Eiffel Tower.

Here's one of the 3-D maps of France with rivers, the Alps and Eurostar.

And here is Ted himself. You can also see him in the photo ready to tuck into a couple of baguettes!

Classes 1 & 2 created some wonderful 'Journals' of Ted's travels in France. Ted visited Brittany, saw a festival, went up the Eiffel Tower (and couldn't see the top), spent time singing songs in French and learnt to ask for an ice cream. Some even learnt the 'can-can'!

Right: Madame Kelly helps to explain the lunch menu, which is written in French!

Then it's time to serve parents at the school cafe! Class 3 had designed the menus (offering chocolat chaud, jus d'orange, croissants etc) using their IT skills.

Waiters/waitresses were ready to take orders and the 'bureau de change' was ready to take your money!
