

The French Experience 2008!

On the morning of Tuesday, 20th May, croissants and hot chocolate were on offer as parents, friends and children arrived at school. This was a great beginning to a day given over to all things French!

Class 4 took part in a scavenger hunt. Clues were given in French and once they had cracked the clue they were given co-ordinates to find their way round the map and so find the next clue!

Class 3 had the task of creating, out of rolled paper, the tallest 'stand alone' tower possible, based loosely on the Eiffel Tower structure!

Class 2 had their very own 'French School of Art'! They looked at some Cézanne oil paintings and then attempted a 'still life' drawing of their own using oil pastels rather than paints.

Mrs Carnegie got everyone singing French songs during the morning and then the afternoon was spent at Abington School enjoying French theatre, 'Mission 2,4,6,8' by the 'Frog and Rosbeef' theatre company. A very clever 'pantomime like' performance which was enjoyed by Classes 2,3 & 4. Meanwhile Class 1 enjoyed a French picnic at school.

A big thank you to Madame Kelly for being the inspiration behind the 'French Experience'!
