

Happy Christmas Everyone!

Playgroup have had a wonderful time preparing for Christmas. We hope you like their smart Father Christmas creations, the tree baubles hand painted by the children and the 'hand print' Christmas tree wall display. They even made painted tiles that had to be baked in the oven. The tiles are all wrapped up as they are going to be presents for parents and carers for Christmas. A visit from Father Christmas and from Mr Rainbow meant the term finished with some very excited children.
